

# APARTMENTS & CONDOS Setout Instructions

Place your garbage in the GREEN dumpster and your recyclables in the WHITE bin or BLUE carts. Bins and carts must always be accessible for easy collection by the hauling trucks — never block the bins or carts with your vehicle, furniture, or other oversized items.

## No garbage in the blue carts or white bin

Never put garbage in the recycling container. All household garbage goes in the garbage dumpster. This way, recyclables are not contaminated by garbage.

## Weekly collection

Collection for all materials occurs between 6 a.m. and 6 p.m. Frequency of collection varies by complex; contact your property manager for details.

## Oversized items require special handling

Do not place furniture, electronic equipment, or other oversized items in the street, garbage dumpster, or recycling bin; call your property manager to arrange a large item pickup. Call (408) 277-4373 to report illegal dumping in streets.

## Flatten boxes

Always flatten cardboard boxes before placing them in the recycling cart or bin. This helps make room for more recyclables.
